

Some extra info for Players.

If you paid a deposit for BIG then please make a note on your entry form, then deduct the deposit amount from your payment. Make the note beside "players Programme". I have all the records but I need the note to remind me to look them up.

Leaving clubs at the Course.

There is limited space at the Club to store your clubs in the cellar area.

We would like everyone who can take their clubs with them to do so. Anyone who must leave their clubs at The Club please circle Yes in the clubs section on your entry form, once we have looked after you we can estimate any extra area and announce extra space on Sunday night. The question is in green after Bank Account. Carts are allowed to be taken into the Carpark to load your clubs.

- No Jeans are allowed on the Golf Course.

Shirts and caps are provided at your own cost. Circle your size if ordering a shirt or leave the area blank if not ordering. Circle yes or no to order a cap. Caps \$20 and Shirts \$40.

Put any food allergies on the bottom of the form.

Walking on Friday.

We have a maximum of 45 carts and we need to have a Shotgun Start for Friday. If we have more than 90 "carters" on Friday we will need to have some volunteers who will walk on that day. To facilitate this requirement you just pay your \$90 for a cart, with your entry form, then anyone who walks on Friday gets a cash refund. We will ask for volunteers on Sunday Night at registration.

If there are not enough players we won't have to look for walkers but we won't know that until all entries are in next year.
